

Level 2 Surgical Mask with Horizontal Ties**Technical Characteristics**

Resistance to penetration by synthetic blood, measured in mm Hg	160mm Hg
Differential pressure, mm H ₂ O/cm ² (Breathability)	<6.0
Bacterial filtration efficiency	≥98%
Sub-micron particulates filtration efficient at 0.1 micron	≥98%
Flame spread	Class 1

Shipping & Availability

- 100% Manufactured in Miami, Florida, United States
- Ships from Miami, Florida
